September is Fun Raisin' for Kids

Each year, Tee Jaye's raises money for Nationwide Children's Hospital. Last year we raised another \$55,000. Over the past 11 years we have raised over \$500,000. We have collected money for such causes as the Center for Childhood Cancer at Nationwide Children's Hospital, Children's Advocacy House for abused children, The Neo Natal Care Unit, Hematology / Oncology Unit and last years money was donated to the The Autism Center.

Our focus again this year will be The Autism Center. We have determined there is a great need for help at the Autism Center. Autism now affects 1 out of 110 children and 1 out of 70 boys. It is estimated that there are 30 Autism births per year in Franklin County alone.

The Autism Center is focused on education and research. Using only proven methods of dealing with Autism, they are improving the quality of life for the children and their families.

There are opportunities to donate both time and money almost everywhere you look. We hope that you will join us in our efforts to help these families and raise awareness!

Thank you,

Dayna Sokol
